TITLE: NEW PROCESS :

Commissioner for Patents
Box Missing Parts
Washington, D.C. 20231

Sir:

RESPONSE TO NOTICE TO FILE MISSING PARTS

This Response is submitted in response to a Notice to File Missing Parts of the above-noted nonprovisional application. The Notice, a copy of which is enclosed herewith, was mailed on June 26, 2002, with a period of two months for filing a response. Accordingly, this Response is timely.

According to the Notice, the statutory basic filing fee (\$740) and fees for additional claims (\$222) are missing. In addition, the Notice indicates that a fee (\$130) for late filing fee or oath or declaration is also required. Applicant respectfully notes that authorization to charge the required basic filing fee and the fees for additional claims, totalling \$962, to applicant's Deposit Account was made in the initial patent application filed on November 13, 2001. In support of applicant's position, a copy of the Fee Transmittal submitted with the original application papers is attached hereto as an appendix. Accordingly, applicant submits that no surcharge for a late payment of the filing fees is required in the present case.

If a telephone interview is deemed to be helpful to expedite the prosecution of the subject application, the Examiner is invited to contact applicants' undersigned attorney at the telephone number provided.

No additional fee, other than the \$962 filing fees which were authorized in the original application papers but were not actually charged, is believed to be necessary in connection with this Response. Authorization is hereby provided to charge the amount of any additional fee(s) required, or to credit any overpayment, to Deposit Account No. 16-1445.

Date: August 23, 2002

Respectfully submitted,

A. David Joran
